Michael Beck

Singer, songwriter and guitarist, Michael Beck brings years of experience from the stage and studio to every note he plays. His charisma when performing is as infectious as his smile. Listening to music when he was younger, Michael found that his favorites were Travis Tritt, Garth Brooks, and Jason Aldean. This style, captured in his own playing, began to permeate throughout his live performances. Garnering attention; Michael began performing on the Northern California Country Circuit from San Jose to Redding, Turlock to Reno. He's performed at many of the Rodeos, festivals and Casinos in the area including the Livermore Wine Festival, Chicken Wing Festival. Even sharing the stage with some of Country's top acts such as: Jon Pardi, Big and Rich, Randy Houser, Clay Walker, Chris Lane, Lauren Alaina, Luke Combs and many others.

Michael continues to write and collaborate with a Nashville production team. His latest single "Our Side" is available for download along with his E.P. "Countin' on Tennessee" on iTunes, Spotify, and many other retailers. His upcoming full album is set to be released in October. Be sure to check the calendar and come watch a performance. He'd love to meet you.
